

Assembly guide

4-compartment organizer 250 x 120 x 60 mm · Open organizer with slot-in dividers · 250 x 120 x 60 mm. Diagrams are drawn from the real part outlines and positions.

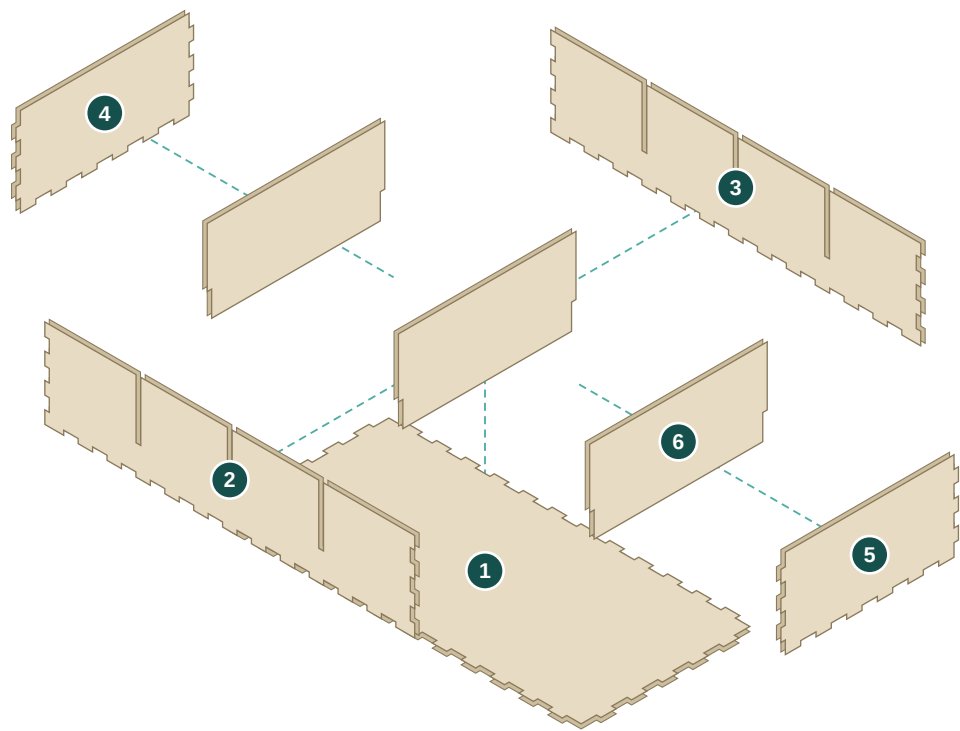

1. Identify the components

#	Part	Qty	Size mm
1	Base	1	250 x 120 x 3
2	Front wall	1	250 x 60 x 3
3	Back wall	1	250 x 60 x 3
4	Left wall	1	120 x 60 x 3
5	Right wall	1	120 x 60 x 3
6	Divider	3	120 x 57 x 3

You will need

- Wood glue - The assembly steps glue the finger joints.
- Clamps or masking tape - To hold the joints square while the glue sets.

Exploded view

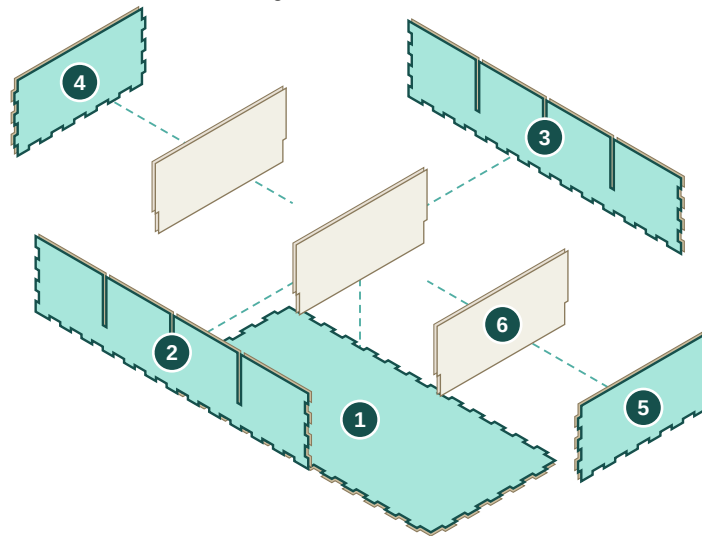

Arrows point from each part to its place in the finished piece.

2. Assembly steps

Step 1

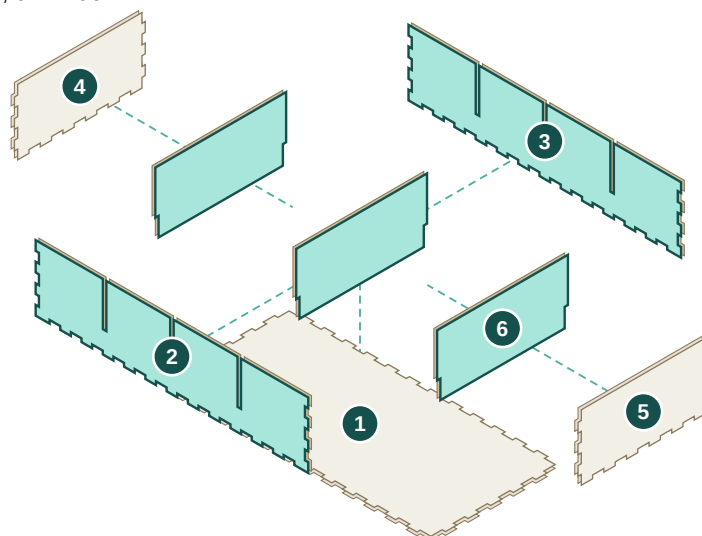

Assemble the four walls and base exactly like a finger-joint box (see steps below) and glue.
Parts: 1. Base, 2. Front wall, 3. Back wall, 4. Left wall, 5. Right wall

Step 2

Drop the 3 dividers into the matching front/back slots from above; the lower part of each divider rests against the inner wall faces and on the base.

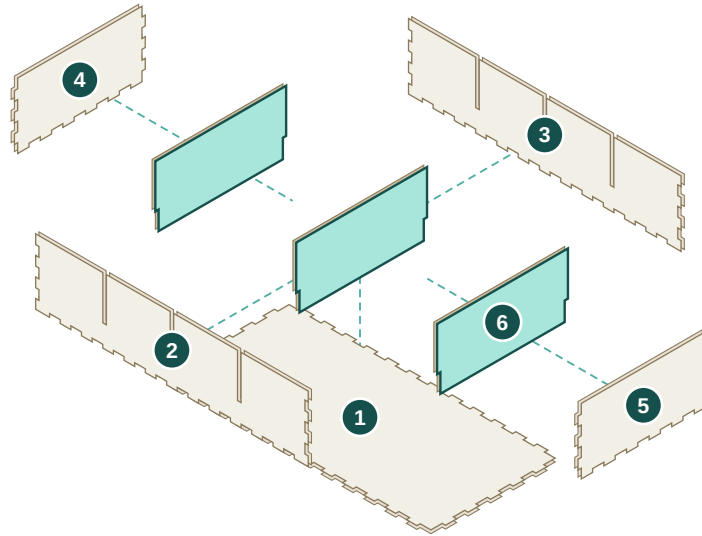

Parts: 2. Front wall, 3. Back wall, 6. Divider

Step 3

Glue dividers only after checking that items fit the compartments.

Parts: 6. Divider

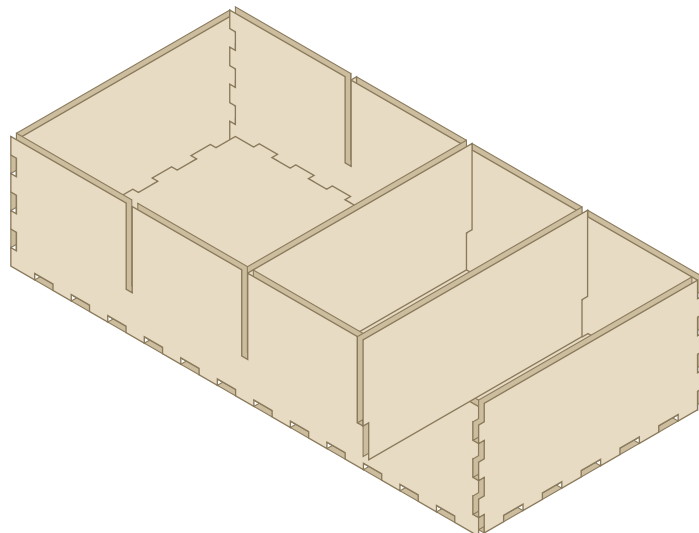

3. How the parts connect

- 2. Front wall interlocks by finger joint with 4. Left wall
- 2. Front wall interlocks by finger joint with 5. Right wall
- 3. Back wall interlocks by finger joint with 4. Left wall
- 3. Back wall interlocks by finger joint with 5. Right wall
- 1. Base interlocks by finger joint with 2. Front wall
- 1. Base interlocks by finger joint with 3. Back wall
- 1. Base interlocks by finger joint with 4. Left wall
- 1. Base interlocks by finger joint with 5. Right wall
- 6. Divider slides into a slot in 2. Front wall (Slides into the matching slot from above)
- 6. Divider slides into a slot in 3. Back wall (Slides into the matching slot from above)
- 6. Divider rests on 1. Base

4. Finish and inspect

- Remove soot marks with fine sandpaper or a damp cloth if needed.
- Apply a finish only after the glue has fully set.
- Inspect the result: the finished size should be about 250 x 120 x 60 mm.

Finished piece

Glue, finishes and hardware are listed only when the design itself requires them. Test-fit before gluing.
